Levelling Up?

*Research into case studies,
innovation and excellence
in Disability Leadership –
Can you help?*

The Cultural Leadership Programme is working with DaDa and Aspire Trust to identify and report on cultural leadership programmes that have been developed for disabled leaders over the last 10 years.

If you know of any past, current or future opportunities to develop disabled or deaf leaders in the creative and cultural sector, including those at emerging or mid-career levels, please contact us.
